

**NORTHCENTRAL UNIVERSITY  
ASSIGNMENT COVER SHEET**

Student: **Michael Higley-Vance**

**THIS FORM MUST BE COMPLETELY FILLED IN**

**Follow these procedures:** If requested by your instructor, please include an assignment cover sheet. This will become the first page of your assignment. In addition, your assignment header should include your last name, first initial, course code, dash, and assignment number. This should be left justified, with the page number right justified. For example:

DoeJXXX0000-1
---------------

1
---

**Save a copy of your assignments:** You may need to re-submit an assignment at your instructor's request. Make sure you save your files in accessible location.

**Academic integrity:** All work submitted in each course must be your own original work. This includes all assignments, exams, term papers, and other projects required by your instructor. Knowingly submitting another person's work as your own, without properly citing the source of the work, is considered plagiarism. This will result in an unsatisfactory grade for the work submitted or for the entire course. It may also result in academic dismissal from the University.

**Faculty Use Only**

Michael, this is an absolutely excellent interpretation of the assignment using Prezi. Professionally organized and the presentation has an attractive visual appeal for educators. Your addition of audio and video helps to further add depth to the presentation. I love the use of the calculator for the funding slide and the text reminder on the cellphone! ☺ Your discussion about professional growth and development

and how your school fosters a continuous learning process is important to include in the plan so everyone knows this is part of the commitment the school has made. Your orientation to students is a helpful way for students to understand the expectations and preparation they need to make. This is the ultimate presentation for this type of plan and one of the best I have reviewed for this activity. Dr. Collins
